

Water EXPLORER

Without water there is no life. The world's fresh water is under threat.

We are calling on Water Explorers around the world to make every drop count - filling our future with water for all.

YOUR INVITATION TO JOIN THOUSANDS OF WATER EXPLORER TEAMS AROUND THE WORLD

Water Explorer is an educational programme that empowers 8-14 year olds to address a key environmental issue, saving the world's fresh water.

Take Water Explorer Challenges and get kids switched on to sustainability. We've already reached 48,000 children across 11 countries, so don't miss your opportunity to join the fun and make a global impact.

WATER EXPLORER IS **FREE** WITH FULLY RESOURCED ACTIVITIES FOR YOUNG PEOPLE ACROSS THE UK, IRELAND, FRANCE, GERMANY, SPAIN, ITALY, SWITZERLAND, POLAND, TURKEY, SOUTH AFRICA AND BERMUDA.

PROGRAMME BENEFITS:

There are many great benefits to taking part in Water Explorer, here are a few:

Water Explorer Challenges can:

- Support Eco-Schools Certification
- Support Crest Awards
- Support Scouting and Guiding badges
- Earn young people an United Nations Environment Programme Certificate

Fully supported:

- Feel supported at every stage by the Water Explorer team
- Fully resourced session plans and materials available to use

Unique Opportunities:

- Develop young people as Global Citizens and build community
- Work with other teams in your country and internationally
- Opportunity for skill development, from project management to team-working.

Water Explorer is open to all young people, whether in a school or youth group.

Use Water Explorer in an after-school club or with an Eco team.

Create a Water Explorer team in a Brownie, Guides, Cubs or Scouts group.

HOW IT WORKS

Water Explorer is a very flexible programme and can be as simple or in-depth as you choose to make it. Some teams may do all the four Missions and complete all the Challenges, others may just try one.

VISIT WWW.WATEREXPLORER.IE TO GET YOUR TEAM VIRTUAL RESERVOIR AND HOMEPAGE

1

CHOOSE A MISSION

There are 4 missions to choose from. Use the Mission Dossiers to explore the Mission and its Challenges with your team.

MISSIONS TO SUIT DIFFERENT INTERESTS :

PRECIOUS WATER

SECRET WATER

FRESHER WATER

GLOBAL WATER

2

COMPLETE CHALLENGES

Challenges range from simple games to more complex projects. Completing Challenges earns you points.

Global movement of young people:

Challenge materials are simple and fun so that young people can lead activities. There are also adult activity briefs for younger age groups needing more support.

3

SAVE YOUR RESERVOIR

As you earn points your Reservoir comes back to life. You can earn bonus points by: writing great blogs, being chosen as school of the week, taking photos, showing and collaborating with others.

Points win prizes

Every Water Explorer team has a chance to win prizes. Be rewarded for completing your first Mission, being team of the month or win a Water Workshop from our experts.

4

CELEBRATE

Top Water Explorers can win the chance to hold a fun Water Festival when they complete their challenges to celebrate their achievements and engage their community on water issues.

Celebrating your water work

From an hour at parent's evening, to an event in your local town hall, hold a fun Water Festival or event to celebrate what you've done.

COULD YOU BE A WATER EXPLORER WINNER?

There are many prizes to win along the way and every country will select a National winning team. All National Winners then have the chance to be crowned the International Winner.
